He catches Himawari taking food for a wounded stray wolf named Jaggy. The two collect berries for Jaggy while coming to understand each other more. Once they return, they find Jaggy surrounded by a pack of feral wolves. When he gets home, Kawaki tosses a letter he wrote into the trash in frustration. In the morning, Kawaki and Himawari go out to buy more food for Jaggy while Boruto and Mitsuki wonder what's troubling Kawaki. When Himawari and Kawaki return to the woods they find Jaggy dead and Kawaki comforts Himawari. After burying Jaggy, Kawaki tells Himawari to go home while he tries to leave the village. However, Boruto stops him and reveals that Hinata found his goodbye letter for Naruto. Boruto realizes Kawaki blames himself for Jigen coming to Konoha, but Kawaki explains that because Jigen can appear whenever he wants, it's never going to be safe for them. Boruto tries to reason with him until Shikamaru shows up to stop Kawaki from leaving. Shikamaru explains that he will support Naruto's decision, elaborates that Kawaki is no longer Kara's sole target, and that Kawaki is already a citizen. Resigned from his decision to leave, Kawaki returns to Jaggy's grave where he finds Himawari paying her respect. 210"Clues to Kara"Transcription: "Kara no Tegakari" (Japanese: 殻の手がかり)Nozomi FukuiMasahiro ŌkuboAugust 8, 2021 (2021-08-08) Code grows bored guarding Kara's Ten-Tails, so he goes to meet Jigen, who instructs the former to be very wary even though the coordinates to the dimension have been changed. Delta arrives and reports of Boro's death and Naruto's escape and is assigned a mission by Jigen. Upon Naruto and Shikamaru's orders, Sai and Konohamaru are to infiltrate Boro's cult outside of the Five Great Nations' jurisdiction and retrieve any intel they can about Kara. Following their meeting with the higher-ups Shirabe and Tsuzumi at the temple, Konohamaru and Sai are given a tour by Inori. They tell Tsuzumi that they have heard rumors about Konoha shinobi killing Boro recently. Panicked, Tsuzumi goes below and accesses a secret lab to use a console in an effort to contact Boro to no avail. Sai and Konohamaru corner him and reveal themselves as Konoha shinobi and that Boro is dead. When prompted by the cult, Sai also shows them a notebook with all the people sent into pilgrimage, revealing them as test subjects for Kara's experiments and that they are actually dead. During the commotion, Delta steps through Kara's Space-Time Gate in the secret lab and begins demolishing the temple. Having returned safe, the duo report upon their findings regarding Boro's cult and that Delta is alive. Shikamaru notes that they haven't gotten any closer to solving the mystery of Kara, though Naruto assures them that they will defeat them all. 211"The Chase"Transcription: "Tsuiseki" (Japanese: 追跡)Yūta SuzukiKō ShigenobuAugust 15, 2021 (2021-08-15) Koji is seen extracting crucial data from Konoha archives. Team Udon and Team Moegi discuss said data bandit at their favorite restaurant. Inojin explains to the others, that his father Sai has a description of the black-robed assailant and that the Yamanaka Sensory System hadn’t sensed the intruder before or after the theft. Team Moegi begin investigating the streets of Konoha and ambush the person coming nearby who turns out to be Kakashi. They begin staking out the hideout together. Inojin sees Koji from the sky and alerts the others, but the cloaked man begins heading towards a crowded main street to lose them. Shikadai surmises that Koji is planning to use the Thunder Train, where Shikadai holds Koji down, who turns out to be a Shadow Clone. Meanwhile, Koji infiltrates the secret archives, but Kakashi has already arrived and taken away the scroll Koji is after, having realized, that Koji was after data about shinobi from before the Fourth Great Ninja War. Kakashi engages Koji, who manages to escape. Kashin Koji returns to Kara’s hideout, where Amado tells him that the remaining Inners are away from the base, and they won’t ever realize, that Koji and Amado’s true goal is to eliminate Jigen. 212"Amado's Defection"Transcription: "Amado no Bōmei" (Japanese: アマドの亡命)Shigetaka IkedaKyōko KatsuyaAugust 22, 2021 (2021-08-22) As Koji and Amado begin their escape, Delta appears but is deactivated by Amado. Koji would then use Reverse Summoning to send the toad carrying Amado to Konoha. At the village's outskirts, Team Moegi is training until Amado interrupts them and is caught by Shikadai's Shadow Paralysis Jutsu. However, Amado disperses it with a Scientific Ninja Tool, knocks Shikadai out, and places a bomb on his neck. Inojin telepathically contacts Ino for Shikamaru, who learns what happened to Shikadai. Moegi returns and restrains Amado while Sai and his ANBU squad surround them but that doesn't stop him from holding Shikadai's life hostage. He is then telepathically connected to Shikamaru, Katasuke, Kawaki, Boruto, Sumire, and Naruto, and wishes to defect to Konoha and share his knowledge about Kara and the Ōtsutsuki Clan. Naruto allows Amado to enter if he is restrained first. Back at Kara's headquarters, Koji interrupts Jigen's rest who then asks for his report. Kawaki reveals to the others of Amado's importance to Kara and Naruto gives his word that he would be protected once he talks. Amado shows everyone the transmission of Koji confronting Jigen, who knew of their betrayal and battles Koji, who reveals that he was created to kill Jigen. 213"True Identity"Transcription: "Shōtai" (Japanese: 正体)Ōri YasukawaMasaya HondaAugust 29, 2021 (2021-08-29) As everyone watches the broadcast, Jigen questions Koji and Amado's motives. Due to Naruto and Sasuke draining him, Amado took that opportunity to eliminate Jigen. Naruto seems unsure but Amado affirms that was his true goal as Koji's assault disrupts the broadcast. Amado reveals that the Ōtsutsuki Clan want to attain godhood by absorbing chakra from every planet using the Ten-Tails. He also reveals that he left the coordinates to Kara's Ten-Tails for Sasuke and that its actually Isshiki Ōtsutsuki's goal, who took over Jigen's body a thousand years ago on earth after being betrayed by Kaguya. Meanwhile, Jigen absorbs Koji's attacks and figures out why he let Konoha take Kawaki. Amado is allowed to stay in Konoha by Naruto but leaves Shikadai's bomb on until it's in writing. He reveals that Karma is a back-up file of an Ōtsutsuki that will take over a person's body and that Jigen received his from Isshiki. Jigen's Karma spreads and he lunges at Koji, who traps him in quicksand. Naruto wonders why Isshiki didn't resurrect in Jigen's body which Amado reveals that it's too weak and he decided to look for a suitable Vessel. The broadcast reconnects and they see Koji incinerate Jigen with natural flames since Karma can only absorb chakra-based substances. 214"Predestined Fate"Transcription: "Shukumei" (Japanese: 宿命)Noriyuki AbeMasayuki MatsumotoEma SaitōAtsushi NishiyamaSeptember 5, 2021 (2021-09-05) Jigen shrinks the flames but is engulf once more as his body starts to crack. Amado explains that Isshiki's ability, Sukunahikona allows him to shrink objects, nonliving matter, and his own body but in his weakened state he'll soon burn to death. Sasuke questions why Amado would want Jigen to die, which would only leave Kawaki for Isshiki to resurrect into. Amado assures him that Jigen's dead body is still viable for Isshiki, forcing him to resurrect in a weak body that won't be able to contain his power. He also states that Karma's decompression will begin on Jigen's body automatically because Kawaki's is still incomplete. As Kawaki's Karma spreads, Amado reveals that the process will wipe away his Karma to prevent a duplicate. Kawaki falls unconscious and Boruto checks his left hand which no longer has Karma, signifying Isshiki's revival. Isshiki begins shrinking everything with his special eye, including the Toad watching them and taunts Koji, already knowing his true identity as Jiraiya's clone. Koji continues his onslaught, but Isshiki shrinks everything thrown at him. Amado receives his citizen papers and reveals that Shikadai's bomb was a dud. Koji uses Sage Mode and blinds Isshiki for a sneak attack though Isshiki uses Daikokuten to drop enlarged columns onto him. 215"Prepared"Transcription: "Kakugo" (Japanese: 覚悟)Mitsuo HashimotoHideto TanakaSeptember 12, 2021 (2021-09-12) Isshiki taunts Koji before he escapes using his Steam Toad. At Konoha, Naruto refuses Boruto's request to fight Isshiki by their side as he reasons that Momoshiki might take over again. Sai interrupts, reporting that the evacuation has commenced and takes them to the Foundation's underground headquarters, which is built using a substance that blocks the Byakugan's vision. Tsunade and Kakashi gathers all shinobi so Shikamaru could warn them of Isshiki's impending arrival. Sasuke tells Boruto that both he and Naruto are ready to die for the village and questions Boruto's resolve. Ino informs everyone that Isshiki has arrived, who confronts Konohamaru, Rock Lee, Tenten, Kiba, and Choji. Sarada leaves the hospital to join the battle but is stopped by Mitsuki. Naruto arrives to save his friends from Isshiki, who questions him about Kawaki's whereabouts. He engages Isshiki but is kicked through several buildings and about to be crushed until Sasuke switches places with him. He tosses his blade at Isshiki, who tries shrinking it, only for it to turn into Boruto, who pulls Isshiki into a portal to another dimension with Naruto and Sasuke following them. 216"Sacrifice"Transcription: "Ikenie" (Japanese: 生贄)Ayumu OnoMasaya HondaSeptember 19, 2021 (2021-09-19) Isshiki realizes that he must kill Sasuke and Naruto to prevent their interference and notices that Boruto's Karma has almost completely decompressed, making him valuable. Naruto and Sasuke try to keep up with Isshiki's immense power, but he proves to be troublesome. Kawaki awakens just as Shikamaru informs them of the situation and tries to use Karma but realizes he no longer has it. Amado tries to calm him, stating they still have a chance and tells everyone that Boruto is valuable to Isshiki since a live Ōtsutsuki is needed for the Ten-Tails to consume and produce a Chakra Fruit. He also theorizes that this was Kaguya's role as well and that this was the original purpose of Karma. Meanwhile, Isshiki summons giant cubes from his pocket dimension to crush Naruto and critically injures Sasuke with his rods. Isshiki stops himself from killing Sasuke since Boruto, notices his own value, stepped in his way and threatens to kill himself but Isshiki shrinks his kunai and breaks his arm. Kurama questions Naruto's resolve to sacrifice himself for Konoha and reveals one last weapon for Naruto to use, who appears in front of Isshiki in a new form. 217"Decision"Transcription: "Ketsui" (Japanese: 決意)Nozomi FukuiMasaya HondaSeptember 26, 2021 (2021-09-26) Isshiki and Sasuke are both surprised by the chakra Naruto exudes in his new form, who is able to effortlessly dodge and repel Isshiki. Kurama reveals that Baryon Mode consumes their life force until it runs out and that Naruto must avoid doing or thinking anything unnecessary. Isshiki tries to crush Naruto with cubes, however, Naruto counters and send them back at Isshiki, who fires enlarged rods but Naruto avoids them and knocks Isshiki around. However, he begins to feel the drawbacks of Baryon Mode as Isshiki uses his Byakugan to see that Naruto is siphoning his life force off as well. Isshiki grabs Naruto and senses that Kawaki is connected to his chakra, so he summons him to their location and goes after him until Sasuke blinds him with a smoke bomb that blocks the Byakugan's vision. In desperation, Isshiki unleashes all his shrunken rods on the battleground and holds Naruto hostage to draw Kawaki out. Isshiki begins counting down, which reminds Kawaki of the time Jigen used to train him and comes out of hiding due to the good memories he gained since coming to Konoha. 218"Partner"Transcription: "Aibō" (Japanese: 相棒)Masayuki KōdaYūsuke OnodaMasaya HondaOctober 3, 2021 (2021-10-03) Isshiki lunges at Kawaki, who attacks using Fire Style, but it proves useless as Isshiki grabs him and implants Karma on him once more. He gloats before his body begins to deconstruct and crumble due to implanting Karma on Kawaki's Shadow Clone which faded away. Sasuke and Kawaki check up on Naruto and just as they question the ramifications of Baryon Mode, Momoshiki takes over Boruto's body and stabs out Sasuke's Rinnegan. Naruto tells Momoshiki, who battles Kawaki to give up since he can't obtain the Chakra Fruit anymore. However, Momoshiki reveals that he can still use Kawaki since his body is 80% Ōtsutsuki now. Sasuke manages to save Kawaki from Momoshiki, who knocks out Sasuke with a Vanishing Rasengan and corners Kawaki until he is forced to absorb Kawaki's Fire Style due to the latter setting himself on fire. Boruto wakes up and manages to stop Momoshiki from taking Kawaki away. Boruto apologizes while Sasuke approaches Naruto, who fell unconscious. Kurama talks to Naruto inside his mind for their final moments and the latter says that they should stick together in the afterlife as well. However, Kurama reveals that he's the one dying instead and that due to his chakra fading away, Naruto won't die. Kurama begins to fade away and warns Naruto to be careful, as he won't be as strong anymore, before saying goodbye. Naruto then wakes up to Boruto crying and hugging him, while Sasuke and Kawaki stand by him. 219"Return"Transcription: "Kikan" (Japanese: 帰還)Tazumi MukaiyamaKō ShigenobuOctober 10, 2021 (2021-10-10) Boruto tries creating a portal with his Karma, since Sasuke lost his Rinnegan, to no avail and Kawaki realizes that Boruto is hesitant due to his fear of Momoshiki appearing again. After their argument gets intense, Boruto manages to open the portal and everyone goes through it with Mitsuki, Sarada, Sumire, Shikamaru and Katasuke greeting the victors. Naruto tells Amado and Shikamaru everything that transpired in the other dimension. Amado reveals that the only Inner left is Code, who is a failed Vessel for Isshiki, branded with a White Karma and has limiters placed on him due to wanting to disrespect Jigen's authority as leader. Meanwhile, Code wakes up and rants about his defected Karma, which suddenly manifests Isshiki's spirit, who tells Code to avenge him and inherit the Ōtsutsuki's will. Sakura tells Kawaki and Boruto that their bodies are indeed 80% Ōtsutsuki. When he leaves the hospital, Boruto is surrounded by reporters and all of his friends see him being interviewed live. Later, Mitsuki and Sarada tell Boruto that Team 7 has been banned from taking on missions for the time being. 220"Remaining Time"Transcription: "Nokosareta Jikan" (Japanese: 残された時間)Takeshi YoshimotoMasaya HondaOctober 17, 2021 (2021-10-17) Naruto and Shikamaru tell the other Kage everything they have learned about Kara and discuss about Boruto. Meanwhile, Kawaki's arm is restored by Amado and warns Sumire and Katasuke to be careful with Amado. Mitsuki finds Boruto and learns that he is afraid of going to sleep due to the fear of Momoshiki taking over. Naruto and Shikamaru learn from Katasuke that Boruto has half a year left at best and discuss with Sasuke about how to deal with his situation. Naruto finds Boruto and tells him that he won't allow him. Amado gives Naruto pills that he secretly administered to Kawaki to slow Karma's process and weaken the Byakugan. However, he is unsure what side effects they could have on Boruto and sympathizes with Naruto's situation. Naruto tells Boruto about the pills, who immediately takes one and after a recent checkup, Boruto tells Sarada and Mitsuki that his Karma has stopped extracting. Amado begins officially working at Katasuke's lab with Sumire as his assistant. Kawaki returns the prosthetic arm to Naruto, who asks would he like to become a genin. Kawaki says he'll think about it and Naruto suggests to Shikamaru that they should host another Chunin Exam. 221"The Chunin Exams Resume"Transcription: "Chūnin Shiken, Futatabi" (Japanese: 中忍試験、再び)Shigetaka IkedaKyōko KatsuyaOctober 24, 2021 (2021-10-24) Under Sai's supervision, the Chunin Exams begins with the written exam and nine teams pass. Naruto addresses the remaining teams that the Chunin Exam is meant to calm the villagers, who have been on edge since Isshiki's attack. The second exam is revealed to be held in the Forest of Death and Shikamaru reveals the goal is to rescue ten shinobi from the forest. Sai adds that everyone will be on his own during the exam and only ten will pass. The teams split up and head into the woods. Namida gets tricked and knocked out by Mirai. Team 40 gets stuck in quicksand. Mirai tries to fool Sarada as well while Denki, Tsubaki, Iwabe, Wasabi, Inojin, Houki, Mitsuki and Cho-Cho pass. Kaito Kawanami traps Boruto but a bear appears causing him to be rescued by Boruto. Sarada passes as well, leaving only one spot left. Boruto is a few seconds late because he rescued Kaito, however Sai states that they were being judged based on overall performance and Boruto did the right thing. Sai and Moegi explain that the final test will be one-on-one battles, meaning only five of the ten will become chunin. 222"The Night Before the Final Round"Transcription: "Kessen Zen'ya" (Japanese: 決戦前夜)Naoki KotaniAtsushi NishiyamaOctober 31, 2021 (2021-10-31) Having gone through so much, Boruto wants to show everyone how much he has matured since the last Chunin Exams, a sentiment which Sarada and Mitsuki relate to, and they all agree not to hold back against each other. Kawaki catches Boruto going to train with Mitsuki and tells him not to embarrass himself. Denki and Iwabe strengthen their resolve with Metal Lee helping them. Katasuke provides Denki a tool and allows them to test it in one of his labs. Sai meets Team 25, all of whom are confident that Houki will become chunin. Tsubaki receives a letter from the Land of Iron to return home with a leadership position being granted to her, much to her joy and disappointment of her teammates. Team 5 interrupts their meal and Tsubaki learns that Denki was testing a Scientific Ninja Tool all day. Sarada returns to the waterfall with Sasuke, who tells her that as a shinobi, one must always be prepared for anything. She finds Cho-Cho training by herself, who has decided not to let Shikadai remain the only chunin in their squad. Konohamaru explains the rules of the exam, before announcing the first match between Houki and Inojin. Boruto and Mitsuki witness Amado thrown onto a train by suspicious people, causing them get on it as well. The match begins with Inojin using various Super Beast Scrolls, however Houki counters with Toujinbo. Inojin tries flying away, but Houki destroys his ink bird, so he hides between the rock pillars. Team Shinki arrives from the Hidden Sand to observe the matches, having already become chunin during their own exam. Shinki is intrigued by Kawaki's presence. Iwabe and Wasabi start to clash over their convictions, or lack thereof. Iwabe inspires her by creating a huge Earth Style cat statue. He faints from using too much chakra, and just before the crumbling statue could crush him, Wasabi manages to finally use the monster cat scroll to save him. Konohamaru declares Wasabi winner, since she cannot wake Iwabe up. He announces the next match between Cho-Cho and Sarada. In the morning, she joins Wasabi and Namida at the hospital for a mission, where a merchant is bedridden. When the merchant is horrified by Tsubaki's katana, they realize a samurai was the culprit. After investigating the scene of the crime, Tsubaki finds evidence which suggests Sazanka was the assailant. While they were investigating, another merchant was attacked so they put a plan in motion to stop the criminal, but not before Tsubaki reveals her suspicions, as well as Sazanka's past attempt of trying to steal Mifune's katana. Team Wasabi gets the drop on the bandits, who reveal their bodyguard, Sazanka. Team Wasabi is forced to withdraw after Tsubaki fails to stop Sazanka from wounding her. Tsubaki tells the others that she is to blame for how Sazanka turned out, having won Mifune's blade by pure luck in the tournament against him. Team Wasabi returns with strengthened resolve and Tsubaki faces Sazanka once more, while Wasabi and Namida handle the bandits. The duel begins and Sazanka leaves no openings for Tsubaki to strike. After a long trip, Team Denki makes it to Dotou Island where they are greeted by Ounami, the chief of the excavation site. Ounami leads them into the mines where Denki activates the puppets to show how they work. Two miners retrieve a large bag of gold hidden behind rubble and take Ounami hostage while making their escape and locking everyone else in. Denki manages to dig them out with the puppets and use them to track the thieves to the shore. With the help of the puppets and all three of them working together, Team Denki defeat the thieves and retrieves the gold. Naruto reveals their first mission together is to escort Katasuke to the Mist for a tech conference in the midst of rumors of a terrorist attack. At the conference, the next-generation power plant, the Shinonome is presented. Boruto searches for Kagura and learns that he became a prison warden. Sarada and Katasuke allow Boruto to go to the prison and greets Kagura. While there, he learns that some of Kagura's former teammates are held there and that Shizuma escaped after killing the previous warden. Kagura gives Boruto a tour of the prison, ending up at the central cell, housing Araumi Funato, the head of the Funato clan. However, Gongorou Kamakura, the actor playing Kagemasa has to drop out because of back pains, causing several problems for the movie. While in-character as Naruto, Konohamaru steps in to diffuse a hostage situation, with the camera crew of the movie filming him live. Seeing the news, Kamakura is inspired to step in as well, stopping the criminals together. The movie is eventually completed, thanks to Konohamaru. 258"The Uzumaki Family's Hot Springs Vacation"Transcription: "Uzumaki-ke no Onsen Ryokō" (Japanese: うずまき家の温泉旅行)Takeshi YoshimotoTōko MachidaJuly 17, 2022 (2022-07-17) The Uzumaki family arrives at the hot springs though Kawaki seems wary of the old inn, so Boruto concludes that he must be scared of ghosts. Mirai learns from Shikamaru that they are staying at the same haunted inn she visited with Guy and Kakashi. Boruto and Kawaki team up to challenge Hinata and Naruto to a ping-pong match with Himawari serving as referee. Naruto and Hinata are victorious, having overwhelmed their children. Whilst bathing in the hot springs, Kawaki realizes that he's glad he came after all. While Himawari plays cards with her parents, Kawaki and Boruto venture off to explore the inn while the ghost that haunted Guy stalks them. Before leaving, the family receives a commemorative photo, and the spirit shows up on it, spooking the boys. 259"A Wound That Never Heals"Transcription: "Ienai Kizu" (Japanese: 癒えない傷)Akira ShimizuKyōko KatsuyaJuly 24, 2022 (2022-07-24) Team Sarada investigates a series of attacks targeting ex-shinobi at night. After seeing a couple cats on patrol, Mitsuki reveals that his cat Mikazuki has been missing since the Funato attack. Wandering around, Mitsuki finds a musician named Hibiki with Mikazuki. She explains that, in his absence, Mikazuki got injured and found itself at Hibiki's, where she took care of her. The two go for a walk, but Mitsuki soon breaks off, once Hibiki's older brother comes by, who seems to hate shinobi. While investigating again, Mitsuki catches the criminals in the act, forcing them to flee. He tracks them to Hibiki and her brother's food stand, where he realizes that they are the assailants, but he tells the others that the criminals fled to the rooftops. Mitsuki persuades Hibiki to reveal their reasons and learn that they are searching for the thief who murdered their father. The thief has a scar left by their father before dying. Team Sarada arrives just in time to save Hibiki and her brother from the real killer. Having helped in apprehending a killer, Hibiki and her brother are allowed to leave the Leaf Village but are banned from returning. 260"Fireworks of Love"Transcription: "Koi no Uchiage Hanabi" (Japanese: 恋の打ち上げ花火)Yūta SuzukiAtsushi NishiyamaJuly 31, 2022 (2022-07-31) Kakashi asks Boruto to help him out in his daily activities. While Kakashi suggests they stand by, Boruto steps in to stop a fight between two elderly vendors. Boruto learns from the granddaughter of one of the vendors that the dispute came from the preemptive Firework display of the new section of the Leaf Village, since the old borough used to fire them off first, once the festival starts. Kakashi agrees to help sort the problem out, since the granddaughter has a really rare first-edition volume of Jiraiya's Makeout Tactics he hasn't read yet. Boruto and Kakashi convince both sides to have a sit-down. When arguments break out, Kakashi figures out a way to stop the infighting on the festival day. He switches the fireworks of both parties, who realize that the fireworks were beautiful either way. Kakashi receives the book from the granddaughter of the Old Town vendor while she marries the grandson of the New City Vendor.
